Please use the ticket at Pudong International Airport Station to touch here for entry.

Take the Subway Line 2 to 广兰路 (Guanglan Road).

Get off the train and change to another train (also Line 2) at 广兰路. This is because the previous train will then return to the airport. Almost everyone will change at that station, so just follow the flow.

Take Line 2 from 广兰路 to 南京东路 (East Nanjing Road).

When approaching, you will hear "You can transfer to line 10".

Please change at 南京东路 station to Line 10 (without going out of the station).

Follow this direction and walk for about 400 meters.

Take Line 10 from 南京东路 to 同济大学 (Tongji University) station.

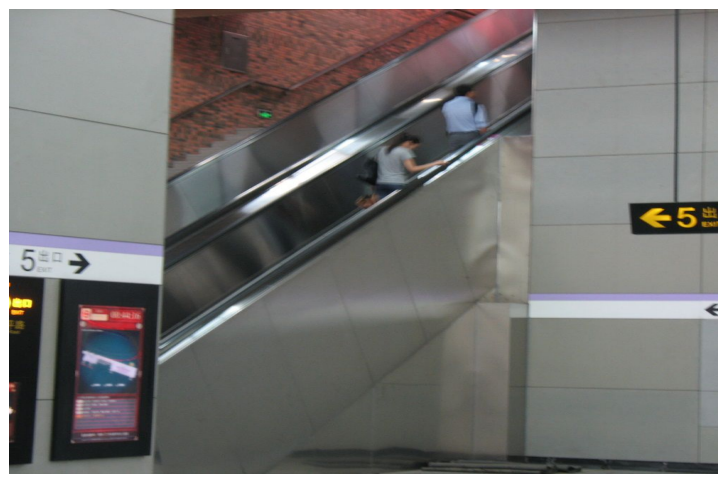

Please put the ticket into a machine for exit at Tongji University station.

And go to Exit 5.

Use this escalator.

Outside view of the Exit 5.

Please turn left, and walk for about 70m.

Then you will see the Jinjiang Metropolo Hotel.

It is over there!!

The gate is there (see the green car).

You can see the 锦江之星 (Tongji University Hotel),  
the yellow one behind the
